\$60/hour assessment/trial lesson for all first time private students

Regular Weekly Lessons

These rates are for students booking a regular weekly time slot between September 7 and June 6.

Students pay for the number of lessons in the month or term, not the number of lessons they are present for. Please see Missed Lesson Policies for details on make-ups.

An annual registration fee of \$20/student or \$35/family is required to hold a regular lesson spot.

Families who book 2 or more hours of private lessons per week receive the low term rate of \$45/hour.
